I have the honor to Report
that I have handed over all the Books,
accounts, Banners, Furniture & Sundries
~~this day~~ in the presence of the Rev. S. Manning
and I am happy to say that Mr Josa seemed
thoroughly pleased and satisfied with everything.

I think however a few remarks may
not be out of place, and I shall briefly state
them under a few headings.

Books — all the Church Books were handed over
in thoroughly good condition.

I rebound them in neat and suitable bindings.
The entries were carefully and correctly kept,
and the account books contain a true and
accurate statement of Receipts & Expenditure.
The Furniture is also all in good order.

I added today two new zinc triangular
chandeliers to carry 3 lamps each, with neat
brass chains and each surmounted with a
zinc crown where the 3 chains meet the carrying
chain. I also added some neat open zinc work
to an old & chandelier carrying 4 lamps.

The whole were newly painted in a rich light blue color.

Banners - Two in number $7\frac{1}{2}$ feet long fill up
the side panels at the E. end of the Chancel
and are very pretty & effective.

a smaller Banner painted in oil colors forms
a neat back ground to the credence Table.

Sundries - The addition of a strip of carpet,
Communicants cushions newly re-covered
and new altar rails gives the Sanctuary a neat and
tidy appearance.

The new Chancel & Choir Stalls & Pulpit
have all been recently stained by me.

The Bridge at the entrance of the Church Yard
has been thoroughly repaired and
painted.

The Church Yard is in a neat & clean condition
and the Fabric of the Chapel is in very fair order.

During my incumbency all the outside facings,
Shutters &c were painted.

accounts — During to my absence at S. John's

I have been unable to get in the Pew Rents, but
~~the people promise to pay them up as soon as~~
possible to Mr Josa. There is a small debt of

£ 17. 4. 4 due principally on a/c of Wm of
Mrs Agard's mule for Sunday duty. Mr Josa

promises to pay off this soon, as the usual
quarterly collection is to be made on the 13th inst.

Had it not been for my continued absence during
the last 3 months, I would have had a Balance
in hand instead of a small debt.

Mr Josa saw that this was unavoidable the
said it would be soon paid off.

The above Report together with Inventory and
Financial Statement I respectfully submit

I have the Honor

to be

Signed.
